WRIGHT SCHOOL.

Miss Vera Veeder had her tonsils removed Saturday morning.

Mr. and Mrs. Walter Kanetz will move next week on the Meier farm. Wm. Pryor of Rosebush spent a couple days last week with his cousin, Mrs. Matt Lentz.

Parties are coming thick and fast. Last Friday evening about 30 neighbors were entertained by Mr. and Mrs. Wm. Shift and Wednesday evening about 60 gathered at the home of Mr. and Mrs. Melvin Adams. All report a fine time.

Boy Webb and mother spent Sunday with Mr. and Mrs. Ray Ellison at St. Louis.

Freeman Johnston of Ithaca was a caller in this vicinity last week.

Mr. and Mrs. Kanetz and Mr. and Mrs. E. Donovan spent Sunday with Mr. and Mrs. Folks.

Mr. and Mrs. Matt Johnston entertained her brother from Elwell Sunday.

James Wyman of Scottsville is visiting at the home of his cousin, Mr. and Mrs. Giles Isham.

A good many ladies of this vicinity registered in Forest Hill Saturday.

The Wright school pupils and the teacher enjoyed a skating party over on the old gravel pit Monday evening.

MET HERE TUESDAY

On Tuesday evening the Gratiot-Isabella county O. E. S. members held their regular meeting in this city, and a good number of Eastern Star ladies from the adjoining county were in this city for the meeting. A large number from various towns of Gratiot were also present, while the Alma members were out in force.

A fine program was carried out by the ladies, among the features of which were the addresses by Worthy Grand Matron, Mrs. Eva Snow of Ludington and Past Worthy Grand Matron, Mrs. Hume of Owosso.

The election of the officers for the Gratiot-Isabella O. E. S. was held at this meeting and the following officers elected: President, Mrs. Jesse E. Fuller of Alma; vice president, Rev. Dewey; secretary, Mrs. Chatterton of Mt. Pleasant; treasurer, Mrs. Brewster of St. Louis.

FIELD MAY TAKE POSITION

"Ike" Field, former Albion college football, track and base ball star, may come to Alma within the next few weeks as a temporary coach pending the selection of a permanent successor to Harry Helmer.

The outlook for base ball is unusually bright at the college, and a third successive base ball championship team is expected by the fans of the Maroon and Cream institution, and it is the desire of President H. M. Crooks to have a capable instructor in this sport in the spring.

At present it does not look as though he would be able to secure a permanent successor to Helmer before summer, and this may decide him in favor of Field. Field, who is at present instructing in athletics in the Flint schools, goes to Allegheny college, Pa., this next year.

ANNOUNCEMENT

I have re-opened my Salesroom on South Gratiot Ave., and am prepared to meet the demands of the motoring public with a full line of accessories and with the best four-cylinder and six-cylinder car at the price on the market today.

Dodge Brothers' Motor Car

as the leading four-cylinder car; it does not need any introduction to the people of Gratiot county.

This car was officially selected by the U. S. Government as the only car of its class for use in all our military operations. Training Camps and cantonments all over the country had their Dodge Brothers Cars in active service. Thousands went to Pershing's men in France. Other thousands were put to every possible transportation use in the United States.

The demand for this car will far exceed the output. Come in and order yours now.

The Mitchell Six

When the war ended The Mitchell Co. at once went back to their pre-war prices. This was a risky step. Prices on materials had not come down. They may never come down to pre-war basis. But the Mitchell factory had a stock of materials bought at pre-war prices, and they gave at once to the Mitchell buyers the benefit of that saving. As a result, the Mitchell prices are today far below all rivals. They are always so, because of the Mitchell wonderful factory efficiency. But the difference today is greater than ever.

SEE WHAT I OFFER NOW

I want you to see what I offer now in Mitchell Sixes with new improvements. One type has 120-inch wheel base and a 40-horsepower motor, that is selling today at \$1275 f.o.b. Racine. You will find no other six of this size, power and class anywhere near that price. Another model has a 127-inch wheel base and a 48-horsepower motor, that sells today at \$1525 f.o.b. factory. That is the Touring Car price. These two models are made in ten styles of bodies. These prices cannot last, they are based on pre-war cost of materials and materials cannot be bought at these costs today. I believe that these sixes at these temporary prices are the greatest values you will see in years.

Come in see them while these prices remain possible. Come and ride in the cars—learn their wonderful comfort. If you seek a high-grade Six, this is the time to buy it. These are the prices that you want. And the sturdy, enduring, economical Mitchell is the type you want.
